**THE MAGAZINE FOR BREEDERS AND PUREBRED SPANISH HORSE
LOVERS THROUGHOUT THE WORLD**

Dear reader:

You have a copy of the magazine published by the national Purebred Spanish Horse Breeders' Association of Spain, the main organization in charge of promoting and improving this wonderful breed of horse the world around.

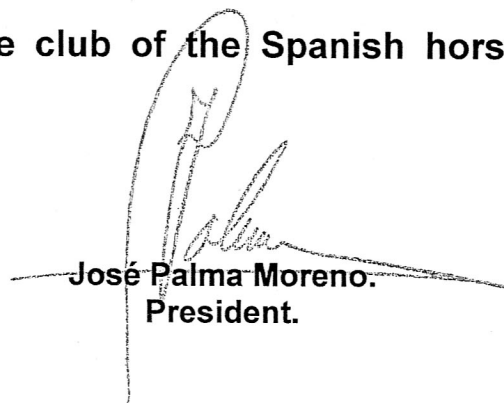

"El Caballo Español" is carefully planned for all those who share a passion for this horse. We would like to open the magazine to everyone to promote training and reader knowledge of the events wherever PRE horses are bred.

Contributors, articles and photographs are carefully selected to ensure that this magazine is a universal means of information, communication and promotion of the breed.

Now you too can participate in this project and receive specific knowledge and information about the Purebred Spanish Horse on a regular basis.

Fill out the enclosed subscription form and you will receive each of the six annual issues, in Spanish and English, in your home.

Enter the exclusive club of the Spanish horse: the horse of kings!
